[Originally by Balzac]

There was life here once
The tension, the harshness of life,
Lost in the flow of time
Now comes crumbling down
The land will be covered in darkness
Premonitions of sorrow and anger, even so
Things rush on, fleeing, changing,
Never facing it, straight on
To all things under creation...
Never facing it, straight on

Well i know

Woah-oh Woah-oh the Day the Earth Caught Fire
Woah-oh Woah-oh the Day the Earth Caught Fire
Woah-oh Woah-oh the Day the Earth Caught Fire
Woah-oh Woah-oh the Day the Earth Caught Fire burn!
