Torn from the heavens
They fall from the sky
And walk the streets among
Mortal men
They hide in shadows
Keepers of the night
Mortal life is weak
Can't hold back the demons
The blood pours as rain
And soon you'll be alone.

Whaaoo
Descending angel
Stand by my side
Whaaoo
We'll face the night
Descending angel
Whaaoo
Who guard the gates of hell
Just one more night
Whaaoo
For in the morning
Will bring the light

Born or created in the image
Of a god the heavens fall
No savior has been sent
No one to guide us
Alone we face the night
Mortal life is brief
For the rebel angels
They make their final stand
And soon you'll be alone

Whaaoo
Descending angel
Stand by my side
Whaaoo
And face the night
Descending angel
Whaaoo
Who guard the gates of hell

Just one more night
Whaooo
Forever...ends...tonight
Descending angel
