Once upon a long time ago lived a humble puppet  
maker  
His son lost and died  
Blamed himself as he tried  
To sell his soul ever after

I have the power if you have the nerve  
You will be mine  
My request you will serve  
A flash of his tail and a spread of his wings  
I hold the power  
The devil did sing

Signed in blood along a dotted line  
By the silence  
Here's the soul of your boy  
As I promised, in this toy  
Pull his strings and hear my laughter

No use in trying, the damage is done  
What have I done, oh, my beautiful son?  
The deal has been sealed, signed, delivered to Hell  
My deep, darkest secrets and no one to tell  
Once upon a long time ago lived evil  
Awakened to find that you're looking through the eyes  
Of a madman's evil monster

Devil Doll, Devil Doll  
Evil be thy master  
Devil Doll, Devil Doll  
Evil be thy master

No use in trying, the damage is done  
What have I done, oh, my beautiful son?  
The deal has been sealed, signed, delivered to Hell  
My deep, darkest secrets and no one to tell

Awakened to find that you're looking through the eyes  
Of a madman's evil monster

Evil be thy master  
A madman's evil monster

Evil be thy master
