Buried beneath the statue, the answer hides
Enduring throughout the ages
The transmitter lies
Once the chambers open the signal will be sent
To another world... far beyond the stars

Don't open 'til doomsday
Destruction's not far away
Don't open 'til doomsday
You might not like what you find

Don't open 'til doomsday
Destruction's not far away
Don't open 'til doomsday
You might not like what you find inside

We were warned of this coming so long ago

Immortal secrets... man shouldn't know
Entering a realm where we just don't belong
We called them and they're coming

Don't open 'til doomsday
Destruction's not far away
Don't open 'til doomsday
You might not like what you find inside

Don't open 'til doomsday
(inside) destruction's not far away
(inside) don't open 'til doomsday
You might not like what you find
You might not like what you find inside
