Hate you father
For you have sinned
Why did You, Lord
Let this life begin?

I'm not your savior
I'm not your son
A forgotten boy
Abandoned creation

With these final words, I pull the switch
We turn to dust, dust to dust
My name is like the kiss of death, then we embrace
We turn to dust

With these final words, I pull the switch
We turn to dust, dust to dust
My name is like the kiss of death, then we embrace
We turn to dust, turn to dust

Mother, father
Answer me
Your soul-less son
Your thing that should not be

A brilliant demon
A Monster God
You gave me life
But took the soul away

With these final words, I pull the switch
We turn to dust, dust to dust
My name is like the kiss of death, then we embrace
We turn to dust

With these final words, I pull the switch
We turn to dust, dust to dust
My name is like the kiss of death, ashes to ashes
We turn to dust, dust to dust

Now, we belong dead
We belong dead

We belong dead
We belong

With these final words, I pull the switch
We turn to dust, dust to dust
My name is like the kiss of death, then we embrace
We turn to dust

With these final words, I pull the switch
We turn to dust, dust to dust
My name is like the kiss of death, then we embrace
We turn to dust, we turn to dust
