Whoa
Oh, boom, when you feel like you're going too slow
I bet you're gonna like it in
Ad, ad
People gonna talk about
Ad, ad
Bloody hell and sacrifice

You, your head's on a big display
Well you're really gonna like it here
Ad, ad
People gonna talk about
Ad, ad
Living hell is not so bad

You bet your life there's gonna be a fight
You bet your life because the hills have eyes, yeah
You bet your life there's gonna be a fight
You bet your life because the hill have eyes
And then you're gonna die
And then death is mine and then you

Oh, boom, on earth as it is in hell
We'll see you get to like it in
Ad, ad

People gonna talk about
Ad, ad
Bloody hell and sacrifice

You, your head's on a big display
Oh, you're really gonna like it here
Ad, ad
The people gonna talk about
Ad, ad
Living hell is not so bad

You bet your life there's gonna be a fight
You bet your life because the hills have eyes, yeah
You bet your life there's gonna be a fight

You bet your life because the hill have eyes
And then you're gonna die
And then death is mine and then

You bet your life there's gonna be a fight
You bet your life because the hills have eyes, yeah
You bet your life there's gonna be a fight
You bet your life because the hill have eyes
And then you're gonna die
And then death is mine and then you
