Thirteen have come and gone, crimson death, crimson
blood

Rise from Hell, its fire burns everywhere

Thirteen, the spell's begun, summon up the devil's son

A monster born within everyone

I know it must be stopped

It's kill or be killed

Hell night, whoa, hell night, whoa

Hell night, whoa, hell night, whoa

The thirteen, we must find, burning gives us little time

Kill them fast and get away

The thirteen have been slain and are laid in shallow
graves

We must destroy everything at the scene

And I know it must be killed

It's kill or be killed

Hell night, whoa, hell night, whoa

Hell night, whoa, hell night, whoa

And I know it must be killed

It's kill or be killed

Hell night, whoa, hell night, whoa

Hell night, whoa, hell night, whoa

Hell night, whoa, hell night, whoa
