Got a hellhound dog  
That hellhound's gonna rip your face off  
Got a hellhound dog  
That hellhound's gonna tear right through

Got a hellhound born  
A hellhound born to the pack  
Got a hellhound dog

And I know that I might be dead  
Those who seek it out  
Those who stand a few

Hell, hell of satan's pack  
We are born of hate  
Both feet into hell

Take another step  
Towards the bleeding light  
Those who seek it out  
Those who stand a few

We are a part of it

Got a hellhound dog  
That hellhound's gonna rip your face off  
Got a hellhound dog  
That hellhound's gonna tear right through

Got a hellhound born  
A hellhound born to the pack  
Got a hellhound dog  
That hellhound's gonna rip your face off

Got a hellhound dog  
That hellhound's gonna rip your face off  
Got a hellhound dog  
Got a hellhound born
