If you're gonna scream, scream with me
Moments like this never last
When new creatures rape your face
Hybrids opened up the door

Ooh baby when you cry
Your face is momentary
You hide your looks
Behind these scars

In hybrid moments
Give me a moment
Give me a moment
Give me a moment

Ooh baby when you cry
Your face is momentary
You hide your looks
Behind these scars

In hybrid moments
In hybrid moments

In hybrid moments
In hybrid moments
Give me a moment
Give me a moment
