Ow

Yeah

I got a right

Ow

Any time I want, I got a right to vote

No matter what they say

Any time I want, I got a right to vote

No matter what they say

I got a right, a right to vote

Any time I want, any old time

I got a right, a right to vote

Any time I want

Ow

Any time I want, I got a right to speak

No matter what they say

Any time I want, I got a right to sin

No matter what they say

'Cause I got a right, a right to sin

Any time I want, any old time

I got a right, a right to sin

Any time I want

Alright

Ow

Hey, hey, hey, hey

Go

Yeah, I got a right

Ow

Any time I want, I got a right to sin

No matter what they say

Any time I want, I got a right to speak

No matter what they say

'Cause I got a right, a right to sin

Any time I want, any old time

I got a right, a right to sin  
Any time I want

Oh, can you feel it  
Can you feel it  
Oh, can you feel it, alright

Yeah, alright  
It's a fucking right  
Alright  
Yeah

I got a right
