"In The Doorway"

Light
In the doorway
Shining so bright
In the doorway
I clench your hips
For the flesh
You tore my prose

In the doorway
Animal lie
Like the doorway
As you hide
Hear it then
Will you let me in

Let me in
Oh

In the doorway
We were so young
In the doorway
Release the black dogs
On our breasts
We'll never rest

We'll never rest
We'll never forget
I ain't never gonna let you rest

Oh, oh, oh, oh
Oh, oh, oh, oh, oh
