"One Last Caress"

I've got something to say
I killed your baby today
And it doesn't matter much to me
As long as it's dead

I've got something to say
I raped your mother today
And it doesn't matter much to me
As long as she spread

Go

Sweet lovely death
I am waiting for your breath
come sweet death
One last caress

Well I've got something to say
I killed your baby today
And it doesn't matter much to me
As long as it's dead

Sweet lovely death
I am waiting for your breath
come sweet death
One last caress

Sweet lovely death
I am waiting for your breath
Come sweet death
ONE LAST CARESS

One last caress, sweet death
One last caress, sweet death

Oh oh oh oh oh oh
