The darkness bleeds violent sights
It purges from within
Death, it holds you in it's arms
And kisses you goodnight

Oh, oh, oh, the darkness comes
Oh, oh, oh, I feel it's bite
Oh, it purges from within

It's over, it's over
This haunting, it's over
They cut my wrists, and watch me bleed
Inside a dream

It's over, it's over
This haunting, it's over
They cut my wrists and watch me bleed
They stop haunting me

The darkness bleeds violent sights

It purges from within
Death, it holds you in it's arms
And kisses you goodnight

Oh, oh, oh, the darkness comes
Oh, oh, oh, I feel it's bite
Oh, it purges from within

It's over, it's over
This haunting, it's over
They cut my wrists, and watch me bleed
Inside a dream

It's over, it's over
This haunting, it's over
They cut my wrists and watch me bleed
They stop haunting me
