

Misfits "Them"

Visit "[Them](#)" on MotoLyrics.com

Man's atomic age is here
Horrible hordes appear

Exo-Skeleton armored
Exo-Skeleton might
Exo-Skeleton horror
Exo-skeleton bite

Beware of THEM!

Something wicked this way comes
Creepy crawling giant bugs

Exo-Skeleton armored
Exo-Skeleton might
Exo-Skeleton horror
Exo-Skeleton bite

Beware of THEM!

In the desert sands where they test the bombs
Came these man-made monsters
They'll try to breed
They'll fly by night

We must destroy these nests of the mutant ants
These man-made monsters
Their bodies burn
A gruesome site

Beware of THEM!

Evil is as humans do
Bible prophecy comes true

In the desert sands where they test the bombs
Came these man-made monsters
They'll try to breed
They'll fly by night
We must destroy these nests of the mutant ants
These man-made monsters
Their bodies burn

A gruesome site

Beware of THEM!
