Dry drunk on a corner
Wet waste of a girl
Theme for a jackal

Play you death-song
You probably listen
Stand idly by as they rape your children
Like you do now
In fact you showed them how

All thoughts are in place
All deeds are complete
Play, theme for a jackal play

Die sweet prince
Meat tastes like mince
The jackal's eaten enough for today

Die sweet prince
Meat tastes like shit
Enough to make that jackal spit

Spit jackal spit

Spit and choke on the lives you've taken

You can't shake them loose

All morsels are gone, they're too small
Accessible from a source so tall
Little sister all of my love

Bitch
Bitch, she is
Cut her from the inside out

Dead daughter in the river
Entrance gained by her liver
Play, theme for a jackal play

They play you a death-song
You probably listen

Stand idly by as they rape your children
Like you do now
In fact you showed them how
Play, theme for a jackal play
Play, theme for a jackal play
