Deep inside me
A demon's inside me
Vision blurs

Vivid red

The horrors that I see
The hell that surrounds me
And it burns

Vivid red

No matter how I try to hide
There's no disguise
Perusing, it breaths its life in me

Vivid red

Deep inside me
A demon's inside me
Vision blurs

Vivid red

The horrors that I see
The hell that surrounds me
And it burns

Vivid red

The voices that I hear
Come out of nowhere
So clear

Vivid red

Words that consume me
The monster works through me
It returns

Vivid red

No matter how I try to hide
There's no disguise
Perusing, it breaths its life in me

Vivid red
Vivid red
Vivid red
Vivid red
Vivid red

No matter how I try to hide
There's no disguise
Perusing, it breaths its life in me

Vivid red
