My baby moves to Juarez
Down across the line
And then she never called
Remains they'll never mind

No one can be trusted
Chaos by design
Camouflage the killers
Of these femicides

Where do they go?
Where do the girls go?
Where do they go?
Where do the girls go?
I just don't know
Where do the girls go?
Where do the girls go?
Where do the girls go?
Baby, I just don't know
Oh no no

I wasn't there for my girl

When she needed me
If I had treat her better
She wouldn't leave

Four hundred lives it's taken
Others never found
Don't let her move to Juarez
Don't be that proud

Where do they go?
Where do the girls go?
Where do they go?
Where do the girls go?
I just don't know
Where do the girls go?
Where do the girls go?
Where do the girls go?

I just don't know
I just don't know
Baby I don't know
I just don't know
