Wipe out the weak and dying
I've got no use for you
Sent from Hell, I know they're lying
Just another sacrifice

We are on a witch hunt
Hunt her down, for will she sink or float?
We want independence from her spell

Exterminate the undetermined
I've got no use for you
Sent from Hell, I know they're lying
Hang her by her neck to die

We are on a witch hunt
Hunt her down, for will she sink or float
We want independence from her spell

We're on a head hunt
We're on a blood hunt
We're on a witch hunt
And we're gonna get you
We're coming after you too

Oh, witch hunt
We're on a witch hunt

We are on a witch hunt
Hunt her down, for will she sink or float
We want independence from her spell
We're under a spell

We're on a head hunt
We're on a blood hunt
We're on a witch hunt
And we're gonna get you
We're coming after you
