This tale is crazy
So listen careful
It may be hard
But now let's start
It's 'bout a girl
A special girlfriend
The girl I like
She's in my dreams

I saw her walking
In the streets of Manhattan
And saw her dressed
In futuristic clothes

When you see her
Be careful what you say
When she smiles, yeah,
All the boys they'll fade away

Are you Daryll Hannah?
And when the wind blows about your hair
I sometimes wish I could find the one
And tell her that I love her

Are you Daryll Hannah?
Are you Daryll Hannah?

I'm not too fixed
On a special type o' girl
Don't mind her hair
Being black or brown

I don't know why
But some say I'm crazy
?You won't find her"
She's out off your touch

The question's how
To find that someone
Does she exist
Or is she just a dream?

When I see her
I'll be careful what to say
When she smiles, yeah
I guess I have to fade away

Are you Daryll Hannah?
And when the wind blows about your hair
I sometimes wish I could find the one
And tell her that I love her

Are you Daryll Hannah?
Are you Daryll Hannah?
