Life goes by way to fast  
To try to skip forward  
Instead of always making it last  
Been wishing way too long  
To find out all the answers  
Figure out where I belong

Dont wanna lose my innocence  
Before it comes to be ahead of its time  
Dont wanna give this life away to question  
Ill say it now, this life is mine

### CHORUS

I take it like it is  
Wear life like a glove  
Living in the moment  
Before I come undone  
I take it like it is  
Wont linger for too long  
Or look too far ahead  
I take it like it is

Wanted to be older than my years  
So I could drive desires standing over me  
No point in rushing through  
Enjoying every minute  
I told you that Id get to it

Dont wanna lose my innocence  
Before it comes to be ahead of its time  
Dont wanna give this life away to question  
Ill say it now, this life is mine

### CHORUS

I take it, take it  
I take it, take it  
I take it, take it  
I take it, take it  
I take it, take it  
I take it, take it  
Yeah

## CHORUS
