Herman Hupfeld

You must remember this / a kiss is still a kiss / a sigh is
just a sigh / The fundamental things apply / as time
goes by /

And when two lovers woo / they still say I love you / on
that you can rely / No matter what the future brings / as
time

goes by / Moonlight and love songs / never out of date
/ hearts full of passion / jealousy and hate / Women
needs men

/ and men must have his mate / that no one can deny /
It still the same old story / a fight for love and glory / a
case

of do or die / The world will always welcome lovers / As
time goes by.
