I drive a big BelAire, I drive a big BelAire
It ain't no little Corvair, it's a big BelAire
I park it in the barn to keep it safe from harm
And when the cold wind blows, I keep the barn door
closed
When I was seventeen, I fell for a beauty queen
I could never see what she saw in me
I thought she loved my looks, I thought she loved my
hair
The only thing she loved was my big BelAire
I drive a big BelAire...
Some say it's fast, some say it's clean
Some just say, hey, that's a mean machine
Well I don't like to brag, but honey I will say
It is one long Chevrolet
I drive a big BelAire...
