I'm not perfect, I'm no saint, babe
I don't wear angel's wings
I'm no hero in shining armor
All I am is what you see

I would lay down my life for you
Take it to the wall if you asked me to
Stay beside you gray skies or blue
All my life I will stand by you

I'm just a man, babe, that's all I am, babe
I won't try to hide my scars
But I swear I love you I'd place no one above you
You have my soul you have my heart
I would lay down my life for you
Take it to the wall if you asked me to
Stay beside you gray skies or blue
All my life I will stand by you

God knows I make mistakes
This is all I can say
No matter what it takes
I'm gonna stand beside you always

I would lay down my life for you
Take it to the wall if you asked me to
Stay beside you gray skies or blue
All my life I will stand by you
