If I had the power, if it were up to me  
The lame would walk and the blind would see  
No one would die before their time  
There'd be peace on earth, and you'd still be mine  
In a perfect world, no one would cry  
No one would ever say good-bye  
In a perfect world, we'd never fight  
In a perfect world, you'd be with me tonight  
Look at the headlines and all I see  
Is war and crime and tragedy  
I wish there was something I could do  
But most of all, I wish I still had you  
In a perfect world...  
If I could hold you in my arms, if I could see your face  
Then in my eyes, tonight this world, would be a perfect  
place  
In a perfect world...
