There she goes again, sittin' up all night with a friend,  
I'm just amazed at the kindness she shows,  
I guess she's the best person I've ever known,  
Here I am again, all alone with a bottle of gin,  
Convincin' myself her stories are true,  
If I have doubts, I know what to do,  
I'll just keep drinkin' til I change my view  
(Chorus)  
We're two of a kind, Jesus and me,  
Jesus forgives, I pretend I don't see,  
I don't ask questions and He doesn't tell  
And I'll probably follow that woman to hell  
Along about 3:45, her car pulls into the drive,  
She said, she had a friend with a spiritual plight,  
She's been castin' out demons all night,  
I believe her, I do  
One look at her and I know it's true,  
Cause her make-up's all smeared and her hair, it's a  
sin,  
Though some men might wonder where she's really  
been,  
I know fights with demons ain't easy to win  
(Chorus)
