They're sayin' I got crazy last night  
Dancin' on tables, swingin' from the lights  
Makin' moves on every girl in the place  
I swear that wasn't me, it's a case of mistaken identity  
He's done it again, now I can't show my face  
That wasn't me, that got me in all this trouble I'm in  
That wasn't me, but I know who it must have been  
He's the black sheep of the family, and he's back in  
town again  
That wasn't me, that was my evil twin  
It's been this way, all my life  
He has the fun, I pay the price  
I'm the one who ends up gettin' the blame  
He looks just like me in that neon light, but he's the one  
who got wild last night  
Doin' his best to ruin my good name  
That wasn't me...  
Took my money, cause it's all been spent  
Drove my car, cause the fender's bent  
Must have hit me when I was asleep  
Cause this mornin' my head's sure killin' me  
He's the black sheep of the family, and he's back in  
town again  
That wasn't me, that was my evil twin
