(Chorus)

Poncho, don't you like me no more  
Poncho, to me our friendship means more  
Poncho, please forget what I said  
Cause Poncho we're headin' towards our end  
I remember the first time when you came to town  
Speaking in Spanish making the rounds  
When you first saw me your face was a grin  
Then you called me The Cisco Kid

(Chorus)

I say someday you'll be happy with me, Poncho  
I remember the good times when you loved me so  
I gave you my hat and wore your sombrero  
All of the times that you saved me from death  
Oh Poncho you were the best  
I had a black horse and you had a gray  
My horse was faster but yours did okay  
When it came to chasin' rustlers we'd always win  
Cause we're Poncho and The Cisco Kid  
We're Poncho and The Cisco Kid  
Oh poncho we're headin' towards our end
