Dave Hanner (Play On Publishing,ASCAP) 1997

The corner drugstore just changed hands  
The Starlight Hotel has bluegrass bands  
There've been a lot of changes  
Since you stopped comin' around, comin' around  
Things just aren't the same  
On this side , this side of town  
I hear you're doing well in the business world  
They sometimes mention you're a local girl  
And people ask me  
When will you be comin' down, comin' down  
Things just aren't the same  
On this side, this side of town  
Familiar faces and familiar places can  
Sometimes leave me feeling so alone  
They're breaking ground out in the West End  
The Starlight Hotel was sold again  
I know you're happy  
But if you're ever feelin' down, just a little down  
I'd sure love to see you  
On this side, this side of town  
Come on around---this side of town
