Is that you?
I can't believe my eyes
Is that you with that long curly hair
And dark hazel eyes?

It's been so long but it's easy to tell
Time has treated you well

I spend my nights
With the rest of the guys
Don't look at the grey in my hair
Or the age in my eyes

The years went by, I won't say my spirits fell
But I will say time has treated you well

How many years went by
Since the good 'ole days
And how many years went by
Since you turned me away

I swore I'd never let you know
Way that I felt when you left would never show
But I don't want to waste your night
With the stories I could tell

So I'll just say time has sure treated you well
I'm so happy that time has treated you well
