Well it's Monday seven o'clock in the morning  
Drink my coffee hurry up got to got to got to get to work  
on time  
Hear the whistle whoop whoop whoop whoop  
And the train goin' down the track see you later hurry  
back  
Out of my way hey got to get to work on time  
Got to get to work on time

I got to hustle oh my muscles gettin' big  
Ain't it hot hot sweatin' like a pig  
Got to hurry scurry got to get to work on time  
I got to go pack a lunch workin' overtime  
After taxes taxes barely make a dime  
Punch a clock can't talk got to get to work on time  
Got to get to work on time

Friday I'll pick up my baby we'll go out on the town yeah  
Sunday drive in the country no one else around  
Well it's Monday seven o'clock...  
[ guitar ]  
Hear the foreman get it movin' get the lead out  
Monday mornin' head hurts wish he wouldn't shout  
But yes sir yes bos got to get to work on time  
Hear the whistle whoop whoop...  
I got to hustle...  
Got to get to work on time got to get to work on time
