You love me, I won't see the doom  
When You shout my name  
Darkest night I won't see  
Someday You will take me away  
And we'll leave them here with nothing at all  
Someday You will take me away  
And we'll leave them here with nothing at all  
Fancy lights will light up my house  
Stars fallin' down but I won't be around  
Someday You will take me away  
And we'll leave them here with nothing at all  
Someday You will take me away  
And we'll leave them here with nothing at all  
Stars fallin' down, but I won't be around
