Only with You
I feel so wanted
Hey, with You I feel like a star
When I'm all crumbled
You make me straight
When I was overwhelmed
You forgave
I scream out loud
And I break in half
Then You make me laugh
And it's all I can do
Only with You
The sun rises and sets
All the day long
You spell Your name
And I've been thinking
We'll soon be leaving
We'll soon be leaving
Yeah, we'll soon be leaving
I scream out loud
And I break in half
Then You make me laugh
And it's all I can do
