So, smile!

Cynicism is mental virginity  
It's time to tear that straitjacket off  
And take the monster on  
Face it, face-to-face  
Gouge it's eyes out  
Saw it's legs off  
Saw it's legs off

And let it sink, sink into the sea  
And let it split into pieces

Smile, you're on fire  
Smile, you're on fire

Enough is enough

We love Uncle Sam  
He will drop the bomb  
Make a "Who's Got The Biggest Cock" competition  
From Genuine Tragedies -  
A miracle!  
Blood and water  
Blood and urine

Innocent blood for innocent blood  
Unholy war  
Useless martyrs

Smile, you're on fire  
Smile, you're on fire

Enough is enough.
