

Miss Black America "Vandals"

Visit "[Vandals](#)" on MotoLyrics.com

In the eyes of middle-England
We are evil by default
We dare, publicly, to be young
We are automatically vandals
Who won't knuckle down
Who won't knuckle down
Who won't knuckle down
And be ass-kissers

I kiss my mother with these lips
I kiss my mother with these lips

Curtain-twitching right-wing scum
Armchair nazis, each and every one
Who should be shot down
Who should be shot down
Who should be shot down
And fucked-up

Yes
Yes
I kiss my mother with these lips, you know
Yes
Yes
I kiss my mother with these lips

My hatred is unconditional
I'll eat shit before I look up to you now
So you can chow down
You can chow down
You can chow down, cocksucker!

Yes
Yes
I kiss my mother with these lips, you know
Yes
Yes
I kiss my mother with these lips

This is beyond vengeance:
This is damage control.
