(James Brown)

This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or
a girl

You see, man made the cars to take us over the road
Man made the train to carry the heavy load
Man made electro light to take us out of the dark
Man made the boat for the water, like Noah made the
ark

This is a man's, man's, man's world
But it wouldn't be nothing, nothing without a woman or
a girl

Man thinks about a little baby girls and a baby boys
Man makes them happy 'cause man makes them toys
And after man made everything, everything he can
You know that man makes money to buy from other
man

This is a man's world
But it wouldn't be nothing, nothing, not one little thing
Without a woman or a girl

He's lost in the wilderness
He's lost in bitterness
