Spring was never waiting for us, girl  
it ran one step ahead  
as we followed in the dance.

Between the parted pages  
we were pressed,  
in love's hot, fevered iron  
like a striped pair of pants.

Mac Arthur's Park is melting in the dark  
all the sweet green icing flowing down  
someone left the cake out in the rain  
I don't think that I can take it  
'cause it took so long to bake it  
and I'll never have that recipe again  
Oh, nooo!

I recall the yellow cotton dress  
foaming like a wave  
on the ground beneath your knees  
birds like tender babies in your hands  
and the old men playing  
Chinese checkers  
by the trees

Mac Arthur's Park is melting in the dark  
all the sweet green icing flowing down  
someone left the cake out in the rain  
I don't think that I can take it  
'cause it took so long to bake it  
and I'll never have that recipe again  
Oh, nooo!

There'll be another song for me  
and I will sing it  
there'll be another dream for me  
someone will bring it  
I will drink the wine while it is warm  
and never let you catch me  
looking at the sun, oh yeah  
and after all the loves of my life  
after all loves in my life

you'll be the one

I will take my life into my hands  
and I will use it  
I will win the worship in their eyes  
and I will lose it  
I will have the things that I desire  
and my passion flow  
like rivers through the sky  
oh and after all the loves in my life  
after all the loves in my life  
you'll still be the one  
and I'll ask myself why.

Mac Arthur's Park is melting in the dark  
all the sweet green icing flowing down  
someone left the cake out in the rain  
I don't think that I can take it  
'cause it took so long to bake it  
and I'll never have that recipe again  
Oh, nooo!
