I'm craving your attention,
You don't give me the time of day,
You're here for a moment,
But you always walk away

You can call me crazy,
Sometimes I feel this pain,
It's bottling up inside of me,
And it's not gonna go away

Cause' I'm going insane

I'm Going insane, Going insane (x2)

You wasted all my time,
I'm losing my mind,
I'm going insane,
Going insane, Going insane

Treat me like a lady,
Or kiss this love goodbye,
I don't need this gross of a man,
In and out of my life

Please, please release me,
I'm tired of self control,
You haven't seen this side of me,
I'm not gonna be ignored

Cause' I'm going insane

I'm Going insane, Going insane (x2)

You wasted all my time,
I'm losing my mind,
I'm going insane,
Going insane, Going insane

No more, thinkin,
But I can't stop feelin,
I've got to run away

Going insane, Going insane, Going insane (x2)

You wasted all my time,
I'm losing my mind,
I'm going insane,
Going insane, Going insane

Going insane, Going insane, Going insane (x2)
