I hate the world today  
You're so good to me  
I know but I can't change  
Tried to tell you  
But you look at me like maybe  
I'm an angel underneath  
Innocent and sweet  
Yesterday I cried  
Must have been relieved to see  
The softer side  
I can understand how you'd be so confused  
I don't envy you  
I'm a little bit of everything  
All rolled into one

[Chorus:]

I'm a bitch, I'm a lover  
I'm a child, I'm a mother  
I'm a sinner, I'm a saint  
I do not feel ashamed  
I'm your hell, I'm your dream  
I'm nothing in between  
You know you wouldn't want it any other way

So take me as I am  
This may mean  
You'll have to be a stronger man  
Rest assured that  
When I start to make you nervous  
And I'm going to extremes  
Tomorrow I will change  
And today won't mean a thing

[Chorus]

Just when you think, you got me figured out  
The season's already changing  
I think it's cool, you do what you do  
And don't try to save me

[Chorus]

I'm a bitch, I'm a tease  
I'm a goddess on my knees  
When you hurt, when you suffer  
I'm your angel undercover  
I've been numb, I'm revived  
Can't say I'm not alive  
You know I wouldn't want it any other way

Ha check this out  
This is for all you  
Fuckin fake ass fuckin hatin ass hoes.  
You know who you are  
Don't trip, you don't phase me

It's all good mothafuckas pretend you my friend  
Give me a fake smile and ask me how I been  
The nerve you got u should of been a fuckin actor  
Run yo mouth around town like a fuckin tractor

I knew from the start that you had no heart  
I could tell rite away  
By the way you would bark  
Friendship is suppose to be a beautiful thing  
It seems like many of you forgot the meaning

These niggas always been around  
Samminies makin them venomous lies  
It's on you to believe  
Sometimes I wanna check everybodys tongue  
See if it's split at the tip drippin on venom

Ever wonder why I keep you so close to me?  
I could see the envy and the jealousy  
It's not hard to tell the real from the fake  
I always knew I was surrounded by a bunch of snakes

Bitch please, always runin your mouth  
You fake as bitches know what I'm talking about  
Bitch please, smiling up in my face knowing now  
Why you got something to say

Bitch please you aint a threat to me  
Your words your lies and your jealousy  
Bitch please I'm from the S.G.V  
There aint no bitch that's greater than me

Now this type of bitch I cannot stand  
The one quick enough to fuck your man  
Call him behind ur back for a conversation  
Word gets out abject nd blame him

Now if your fool follows through then  
Fuck him too

Fake ass homies don't deserve you  
Real friends keep it true  
To the fullest indeed  
Real friends don't lie  
And try to compete  
Real friends don't choose a dick over you  
Lie for him while knowing the truth  
Fake bitches criticize every thing that you do reason  
Behind it cuz they jealous of you slitherine,  
backstabbin,  
Hypocritical hoes twistin up them lies  
Now who would of known

It comes with the package for being the best bitch

You fake as bitches know what I'm talking about  
Bitch please, smiling up in my face knowing now  
Why you got something to say

Your words your lies and your jealousy
