Baby I know where you wanna be  
All up inside of me  
You drive me crazy  
When your bodys on top of mine  
Got me breathing all hard  
When you hit it hard from behind  
Take it slow or work it fast  
Baby I just wanna just make it last  
Drink a little hennesy  
Smoke a little bit of weed  
Just next to me  
Just sexing me  
Fulfilling fantasies  
This is where you wanna be  
Take me to exstasy

Baby can't you see what you do to me  
With your gangster ways your a straight up freak  
Got me feining for your love 7 days a week  
Wrapped up and addicted possibly  
The way you make me feel  
The way you make me moan  
Any way you want it just let it be known  
We fulfill each others sexual needs  
All drunk up in mind blowing up trees  
Any way that you want I'll let you hit  
I don't mind waking up to some bomb ass dick  
You bust, I'll bust all fuckin sick  
Got me sprung off that just a little bit  
You got the touch that I need that makes me shiver  
All worked up get me wet like a river  
Baby I aint trippin on the things that you do  
Get freaky and shit try something new

Baby I know where you wanna be  
All up inside of me  
You drive me crazy  
When your bodys on top of mine  
Got me breathing all hard  
When you hit it hard from behind  
Take it slow or work it fast

Baby I just wanna just make it last  
Drink a little hennesy  
Smoke a little bit of weed  
Just next to me  
Just sexing me  
Fulfilling fantasies  
This is where you wanna be  
Take me to exstacy

Take you to exstacy with a ease pill  
Chill with a G and touch and feel  
Feel and touch baby bust a nut  
Get up in the lovin like a bitch straight fuck  
Do it all night long  
Take off the thong  
Baby I wanna make you moan sing that song  
All up in the cunt cuz I know what you like  
Fanasizing mr.capone-e hit it right  
Hit it hard like a superstar  
Remember when I met you on that boulevard  
You got lost in my eyes  
But no surprise I made you lust  
I made you cry  
Made you scream  
Made you cream  
Wacked me you know what I mean  
So fresh so clean like jack the ripper  
Just a little bit of liquor  
Now dance like a stripper

Baby I know where you wanna be  
All up inside of me  
You drive me crazy  
When your bodys on top of mine  
Got me breathing all hard  
When you hit it hard from behind  
Take it slow or work it fast  
Baby I just wanna just make it last  
Drink a little hennesy  
Smoke a little bit of weed  
Just next to me  
Just sexing me  
Fulfilling fantasies  
This is where you wanna be  
Take me to exstacy

I'm what you call real reason to brag  
Champagne in my glass in the bubble bath  
Silky long hair for you to pull  
Come on baby boy you know what to do  
I'm a gangster freak

Back seat to the sheets to the kitchen table  
I like it deep  
Forget about sleep when your next to me  
Even in your dreams your sexing me  
You've hit across chicks no competition  
When I'm out of your reach I got you wishin  
You can hit this pussy in so many ways  
New flavored oils for you to taste  
Kinking you off for you to remove with your teeth  
Touching that chick handle it like a G  
Ultimate pleasure is what you recieve  
Climaxing with this bitch equals exstacy

Baby I know where you wanna be  
All up inside of me  
You drive me crazy  
When your bodys on top of mine  
Got me breathing all hard  
When you hit it hard from behind  
Take it slow or work it fast  
Baby I just wanna just make it last  
Drink a little hennesy  
Smoke a little bit of weed  
Just next to me  
Just sexing me  
Fulfilling fantasies  
This is where you wanna be  
Take me to exstacy
