Last night I watched him sleeping  
My body pressed to him  
And then he started speaking  
The name I hear him speak... was kim  
Yes, I know that this was years ago but when moonlight  
fills my room, I know  
You are here... still

I still -  
I still believe  
You will return  
I know you will  
My heart  
Against all odds  
Holds still

Yes, still  
I still believe  
I know as long  
As I can keep believing, I'll live  
I'll live  
Love cannot die  
You will return  
You will return  
And I  
Alone know why

(In a bedroom on the other side of the world - in  
America. A woman is sitting beside CHRIS who is  
sleeping. She is ELLEN, CHRIS's wife.)

ELLEN  
Last night I watched you sleeping  
Once more, the nightmare came  
I heard you cry out something  
A word that sounded like... a name  
And it hurts me more than I can bear  
Knowing part of you I'll never share  
Never know

But still  
I still believe

The time will come  
When nothing keeps us apart  
My heart,  
Forevermore  
Holds still

(Chris wakes up from his sleep with a cry. ELLEN takes him in her arms and calms him.)

ELLEN  
It's all over, I'm here  
There is nothing to fear  
Chris, what's haunting you?  
Won't you let me inside  
What you so want to hide!  
I need you too!

KIM (ELLEN)  
For still  
(I will hold you all night)  
(I will make it all right)  
I still believe  
(You are safe with me)  
As long as I  
(And I wish you could tell)  
(What you don't want to tell)  
Can keep believing  
(What your hell must be)  
I'll live  
I'll live (you can sleep now)  
You will return (you can cry now)  
(I'm your wife now)  
And I know why  
I'm yours (for life)  
Until we die (until we die)
