Oh boy  
You make me feel like  
Oh boy  
You make me feel like  
No boy  
Can make me feel like you  
I really really want you

Oh boy  
You make me feel so  
Oh boy  
You really turn me  
On boy  
And I don't know what to do  
I really really wanna...

... be with you  
Like I was before  
This distance between us  
Makes me want you more

I do mean  
You are the cutest boy I've ever seen  
And you've got that something  
Something that I want, something that I need, a dirty  
little young girls dream

I said that

Oh boy  
You make me feel like  
Oh boy  
You make me feel like  
No boy  
Can make me feel like you  
I really really want you

Oh boy  
You make me feel so  
Oh boy  
You really turn me  
On boy

And I don't know what to do  
I really really wanna

Make me swirl  
Like a tiny little pearl  
I will patiently wait  
Until you're done  
With that other girl

I don't care  
About your so damn good excuses  
Cus they turn me on  
Yeah they turn me strong, t they turn me on, you know  
how to light my fuses

I said that

Oh boy  
You make me feel like  
Oh boy  
You make me feel like  
No boy  
Can make me feel like you  
I really really want you

Oh boy  
You make me feel so  
Oh boy  
You really turn me  
On boy  
And I don't know what to do  
I really really wanna you

You (na na na na)  
Yeah yeah yeah yeah  
Really, really turn me on
