Well I woke up Monday morning and I thought, to myself.
Well I am not going to drink one more of those beers
no, no.
No no oh.

[Laughter] And, then, I, I woke up Tuesday morning and I said.
Well I am not going to smoke one more cigarette, no, no.
Oh oh oh mm.

[Laughter] Well, as soon as I stepped into the shower my mind began to feeling better.
And as I watched my naked body, my sins just ran off.
I'm to weak to stop.

Well I, I woke up Wednesday morning and I, I promised myself [what?]
I am not going to tell you one more of those lies no, no.
No more lies, no.
And then I woke up Tuesday morning, and I said, well from now on I ain't gonna eat no more of that garbage
no, no.
It's time to loose weight.

But as soon as I stepped into the shower my mind began to feeling better.
And as I watched my naked body, my sins just ran off.
Im just unwilling to stop.
Ooh

[Instrumental]

Yea I wake up every morning and I think,
that Im strong enough to start a life without sins no, no.
No, no, no, no!
Cause every other morning I dont even know that is agony
working on me no oh. It workin on me

Cause as soon as I stepped into the shower
my mind began feeling better.
And as I watched my naked body, my sins just ran off.
Im to just doing to stop.

Casue as soon as I stepped into the shower
my mind began to feeling better.
I might as well live as a happy sinner, cause Im just too
Im not going to stop, come on, yei!

I might as well, I might as well, yei!
Live as a happy, live as a happy sinner.
Yehei, yes I might as well, I might as well live as a
happy sinner.
Cause Im not doin to stoping,
I might as well live, I might as well live, I might as well
live.
Wooh
