What if I would be the only one,
What if I could give you all I've got
Everything inside me says to run
So what if I would be

Everything I touch looks like gold,
But somehow turns to ashes.
Every time I love it's hard to hold.
It always burns and crashes.
So, oh, oh
I will never know
'Cause every time I love, I let it go.

If you want to wait,
It's fine with me.
But I won't be here in the end, I know
This was really never up to me
If it's love, let go.

Everything I touch looks like gold,
But somehow turns to ashes.
Every time I love it's hard to hold.
It always burns and crashes.
So, oh, oh
I will never know
'Cause every time I love, I let it go.

Everything I touch looks like gold,
But somehow turns to ashes.
Every time I love it's hard to hold.
It always burns and crashes.
So, oh, oh
I will never know
So, oh, oh
I will never know
'Cause every time I love, I let it go.
