I know I will be fine this year.  
I've lost all my senses and all my tears.  
I traded it for something new.  
Something without you.

I know I will be fine this year.  
We gave it a little too much too soon,  
And now there's nothing that I fear.  
So here's a whole new tune.

It's you.  
It's you.  
All I know is that it's something new.  
I came this far with all I knew.  
All I knew.

I know I will be fine this year.  
The seasons have changed, but I'm still here.  
I'm stronger than I've ever been.  
The pain, the loss I felt within.

It's you.  
It's you.  
All I know is that it's something new.  
I came this far with all I knew.

It's you.  
It's you.  
And all I know is that it's something new.  
I came this far with all I knew.

I know I will be fine this year.  
We gave it a little too much too soon.  
The seasons changed, but I'm still here.  
I came this far with all I knew.

It's you.  
It's you.  
It's you.  
I'm stronger than before.  
I know I will be fine this year.
