I know I will be fine this year
I've lost all my senses and all my tears
I traded it for something new, something without you
I know I will be fine this year. We gave it a little too
much to soon
And now there's nothing that I fear, so here's a whole
new tune

It's you, it's you
All I know that it's something new
I came this far with all I knew, all I knew

I know I will be fine this year
The seasons have changed but I'm still here
I'm stronger than I've ever been
The pain, the lies I felt within

It's you, it's you
All I know that it's something new
I came this far with all I knew

It's you, it's you
All I know that it's something new
I came this far with all I knew

I know I will be fine this year
We gave it a little too much to soon
The seasons changed but I'm still here
I came this far with all I knew
It's you, it's you. It's you
I'm stronger than before

I know I will be fine this year
