Cold, I wonder how the world would look like with your light.

Darkness keeps me away from getting in your sight.

It changes all the things that I believe.

Being without you, without you is no relief.

I am so cold,

I'm so cold,

I'm so cold without you.

I am so low,

I'm so low,

I feel the emptiness inside.

And I wonder how it will be

Without all my love I saved for you.

I am so cold,

I'm so cold,

I'm so cold without you.

Sold, I sold my heart to you and never got it back.

Now I'm walking with a hole and without you.

I'll keep on walking till I find something new, new

I'll keep on walking, walking, walking

I am so cold,

I'm so cold,

I'm so cold without you.

I am so low,

I'm so low,

I feel the emptiness inside.

And I wonder how it will be

Without all my love I saved for you.

I am so cold,

I'm so cold,

I'm so cold without you.

I am so low,

I'm so low,

I feel the emptiness inside.

And I wonder how it will be

Without all my love I saved for you.

I am so cold,
I'm so cold,
I'm so cold without you
