La-da-di
La-da-da
You're my Casanova
Casanova, i-yo-i-yo
La-da-di
La-da-da
Won't you hold me tight?
And be my lover tonight

A-la-da-di-la-da-da
Woah-oh
A-la-da-di-la-da-da
Woah-oh

When darkness falls on my castle of love
I'm alone and feeling blue
Stars are shining on the sky above
I am dreaming of you

Oh-oh Casanova you are the one
Oh-oh Casanova you are to stay, and take me away

La-da-di
La-da-da
You're my Casanova
Casanova, i-yo-i-yo

La-da-di
La-da-da
Won't you hold me tight?
And be my lover tonight

A-la-da-di-la-da-da
Woah-oh
A-la-da-di-la-da-da
Woah-oh

Casanova you're the man of my dreams
And tonight you're so far away
Call my name and I'll fall like a star
I'm in love, and need you to stay

Oh-oh Casanova you are the one
Oh-oh Casanova you are to stay, and take me away

La-da-di
La-da-da
You're my Casanova
Casanova, i-yo-i-yo

La-da-di
La-da-da
Won't you hold me tight?
And be my lover tonight

A-la-da-di-la-da-da
Woah-oh
A-la-da-di-la-da-da
Woah-oh

Stars are calling out your name
Woah-oh
Casanova, do you feel the same?
Woah-oh

La-da-di
La-da-da
You're my Casanova
Casanova, i-yo-i-yo

La-da-di
La-da-da
Won't you hold me tight?
And be my lover tonight

La-da-di
La-da-da
You're my Casanova
Casanova, i-yo-i-yo

La-da-di
La-da-da
Won't you hold me tight?
And be my lover tonight

A-la-da-di-la-da-da
Woah-oh
A-la-da-di-la-da-da
Woah-oh
