A la di da da  
You are my hero  
A la di da da  
Oh oh oh  
A la di da da  
You are my hero  
A la di da da  
Wha a hero

In the middle of the night  
My hero comes to rescue  
He's so fine  
I'm gonna make him mine  
He's sincere  
I know his heart is beating  
just for me  
only for me

But at the break of dawn  
He is gone  
The wind has carried him away  
But like a comet in the sky  
He will return...someday

CHORUS A:  
You are my hero (ooh)  
I like you  
And all I want to know  
Is if you love me too  
You're my hero (ooh)  
I like you  
Oh won't you take me away  
and make my dreams come true

CHORUS B:  
A la di da da  
You are my hero  
A la di da da  
Oh oh oh  
A la di da da  
You are my hero  
A la di da da]

He's my lover out of sight  
and he will come and save me  
I can feel  
His love for me is real  
I don't know  
If he can hear me praying  
Don't let go  
Never let go

But at the break of dawn  
He is gone  
The wind has carried him away  
But like a comet in the sky  
He will return...someday

CHORUS

You are my hero  
My one and only hero  
Wha' a hero

CHORUS

Repeat Chorus B
