You've got walkin' 'round in circles
Crying in my sleep
Never knew that your lovin'
Would touch me oh-so deep
I'm waiting for an answer
Don't wanna wait in vain
Hate to see your love
Causin' so much pain

There's something on your mind
I'll find out in time

Please don't leave me (leave me) tonight
Tell me--what did I do wrong?
Let me make it right
Please don't say that it's better this way
I'd do anything
Please don't leave me tonight

All I can do is sit and wonder
Can't even sing a song
Whatever happened to our lovin'?
It used to be so strong
Although it's over, I'm asking myself "Why?"
You no longer seem to need me
Just give me one more try

There's nothing I can do
Can't stop lovin' you

Please don't leave me (leave me) tonight
Tell me--what did I do wrong?
Let me make it right
Please don't say that it's better this way
I'd do anything
Please don't leave me tonight

Please don't leave me (leave me) tonight
Tell me--what did I do wrong?
Let me make it right
Please don't say that it's better this way
I'd do anything

Please don't leave me tonight
