Shupi-dupi sugarboy
Give me lovin', give me joy
I'm in love with you, can you feel it too?
Shupi-dupi sugarboy
I'm your lover, I'm your toy
You can play with me, in your fantasy

Do you know this guy, they all call him Sugarboy
Every single girl wants to be his little toy
He will play a game, or he will kiss and tell
He will steal your heart with his magic spell

I don't wanna fall in love with a guy like you
Do-di-do-di-do
I don't wanna fall in love
But inside, I'm more than I knew

Shupi-dupi sugarboy
Give me lovin', give me joy
I'm in love with you, can you feel it too?
Shupi-dupi sugarboy
I'm your lover, I'm your toy
You can play with me, in your fantasy

In my dreams I see a fairy tale come true
Sugarboy is here, and I'm no longer blue
He will hold me close, and whisper in my ear
"Baby I need you, I really need you near"

I don't wanna fall in love with a guy like you
Do-di-do-di-do
I don't wanna fall in love
But inside, I'm more than I knew

Shupi-dupi sugarboy

Give me lovin', give me joy
I'm in love with you, can you feel it too?
Shupi-dupi sugarboy
I'm your lover, I'm your toy
You can play with me, in your fantasy
